This material was prepared by MetaStar, the Medicare Quality Improvement Organization for Wisconsin, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services. The contents presented do not necessarily reflect CMS policy. 850W-WI-PO-07-20.

MetaStar would like to formally invite you to attend a DOQ-IT Celebration Reception.

The reception will be held immediately following the Wisconsin e-Health Care Quality and Patient Safety Board meeting on September 11, 2007, at the Monona Terrace in Madison.

The purpose of the reception is to celebrate small- to medium-sized physician offices in Wisconsin that have shown a commitment to eHealth through participation in the DOQ-IT program. Governor Jim Doyle and Secretary Kevin R. Hayden from the Department of Health and Family Services are invited to present certificates to each clinic at the reception.

Agenda

- 12:30-2:30 p.m. Presentations to eHealth Board webcast
- 2:30-3:00 p.m. Break
- 3:30-5:30 p.m. Reception
